## ACCESSING BIRD ICE ARENA

The Ohio University campus and Bird Ice Arena may be most easily accessed from US-33.

From either direction on US-33, take Exit 198 for SR-682. Take SR-682 approximately a half mile to the Richland Avenue roundabout.

Turn right at the roundabout onto Richland Avenue and cross the Hocking River bridge. Take the first right onto South Green Drive. Parking Lot 134 will be on your right and is the closest free parking to Bird Ice Arena.

For dropoffs, stay on Richland Avenue, passing through the South Green Drive intersection. Take your next right from Richland onto Bobcat Lane. Bird Ice Arena will be on your left.
